

Trustee Vacancies

The Road Victims Trust is a local independent charity that supports people traumatically bereaved or otherwise affected by serious road collisions.

We provide a free practical, emotional and legal support service which is unique in this country and delivered mainly by volunteers.

We are seeking up to four new Trustee appointments and it is hoped that new Trustees will be able to bring specific knowledge and experience in the following areas:

- Psychodynamic therapeutic counselling
- Counselling
- Finance
- IT and Information Systems
- HR/ People Services
- PR/ Marketing

We would be particularly interested in Trustees based in Hertfordshire to support our development in that County. The posts are unpaid but your commitment will be rewarded by the value you will add to supporting those traumatically bereaved by road collisions. For an informal discussion regarding the role and the areas of expertise we are seeking please contact: Tony Parker, Chief Executive on:

01234 843345 or email enquiries@rvtrust.co.uk

Registered Charity No. 1105399
